Forward-Looking Statements

This press release contains forward-looking statements, which may be identified by words such as "expect," "look forward to," "anticipate," "intend," "plan," "believe," "seek," "estimate," "will," "project" or words of similar meaning. Forward-looking statements are not guarantees of future performance, are based on certain assumptions and are subject to various known and unknown risks and uncertainties, many of which are beyond the Company's control, and cannot be predicted or quantified; consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation, our ability to retain our listing on the Nasdaq Capital Market; market and other conditions; the geographic, social and economic impact of COVID-19 on the Company's ability to conduct its business and raise capital in the future when needed; weakness in general economic conditions and levels of capital spending by customers in the industries the Company serves; weakness or volatility in the financial and capital markets, which may result in the postponement or cancellation of customer capital projects or the inability of the Company's customers to pay the Company's fees;

the termination of a major customer contract or project; delays or reductions in U.S. government spending; credit risks associated with the Company's customers; competitive market pressures; the availability and cost of qualified labor; the Company's level of success in attracting, training and retaining qualified management personnel and other staff employees; changes in tax laws and other government regulations, including the impact of health care reform laws and regulations; the possibility of incurring liability for the Company's business activities, including, but not limited to, the activities of the Company's temporary employees; the Company's performance on customer contracts; negative outcome of pending and future claims and litigation; government policies, legislation or judicial decisions adverse to the Company's businesses; the Company's ability to access the capital markets by pursuing additional debt and equity financing to fund its business plan and expenses on terms acceptable to the Company or at all; and the Company's ability to comply with its contractual covenants, including in respect of its debt agreements, as well as various additional risks, many of which are now unknown and generally out of the Company's control, and which are detailed from time to time in reports filed by the Company with the SEC, including quarterly reports on Form 10-Q, reports on Form 8-K and annual reports on Form 10-K. Staffing 360 Solutions does not undertake any duty to update any statements contained herein (including any forward-looking statements), except as required by law.
